

All Kinds of Kinds

Schools Are Made Up Of All Kinds Of Kinds

Bruises by Train

Bruises

Haven't seen you since high school
 Good to see you're still beautiful
 Gravity hasn't started to pull
 Quite yet; I bet you're rich as hell
 One that's five and one that's three
 Been two years since he left me
 Good to know that you got free
 That town I know was keeping you down
 On your knees
 These bruises make for better conversation
 Loses the vibe that separates
 It's good to let you in again

You're not alone in how you've been
 Everybody loses #1
 We all got bruises We all got bruises

Have you seen him? (Not in years)
 How 'bout her?
 (No, but I hear, she's in Queens with the
 man of her dreams)
 Funny, back then she said that about you
 Guess around, you'll never guess who I saw
 Remember Johnny B.?
 Remember him? We were best friends practically!
 Let's do this soon again
 Ten years, is that what its been?
 Can't believe how time flies by
 Leaving you makes me wanna cry #2

These bruises make for better conversation
 Loses the vibe that separates
 It's good to let you in again
 You're not alone in how you've been
 Everybody loses
 We all got bruises, We all got bruises

I would love to fix it all for you #3
 (I would love to fix you too)
 Please don't fix a thing whatever you do
 These bruises make for better conversation

Loses the vibe that separates
 It's good to know you've got a friend
 That you remember now and then
 Everybody loses
 These bruises make for better conversation
 Loses the vibe that separates
 Its good to let you in again
 You're not alone in how you've been
 Everybody loses (Everybody loses)
 Everybody loses
 We all go bruises, We all got bruises,
 We all got bruises

In the song Bruises, what do you think the artist means by the lyrics in box #1?

What do you think the artist means by the lyrics in box #2?

What do you think the artist means by the lyrics in box #3?
